ENGLISH CAPITAL INDICATES MOVE TO CANADA

Capital interests in England, as well as general classes, are displaying a genuine interest in the prospects of Canada, according to a report made by Mr. and Mrs. W. K. MacKinnon, of Rapid City, Manitoba, who have just returned after a publicity tour of the British Isles. During their visit to the old country they gave illustrated lectures in nearly all of the large centers in England and Scotland.

IMMIGRATION FIGURES CLIMBING

Approximately 7,750 immigrants from Great Britain and Europe have arrived in Winnipeg over Canadian National lines since January 1st up to April 10, while Rev. G. F. McCulloch, cooperative chaplain, estimates that from the first of the year to the end of March about 11,000 persons reached Winnipeg through the regular immigration channels.

Coming Events

A meeting of members and adherents of Strathmore Presbyterian Church will be held in the Town Hall, Strathmore, on May 31st, to determine what disposition is to be made of the church property.

BUILDING FOR SALE

Tenders will be received up till May 31st for the purchase of the Presbyterian Church building at Strathmore. Plans and specifications can be had from M. B. Garrett, with whom tenders are to be sent, sealed. The highest or any tender not necessarily accepted.

TENDERS

Sealed tenders marked "tenders for alterations to janitor's house" will be received by the undersigned for alterations and alterations to the janitor's house, Strathmore schools, up to Saturday, May 10th, 1924. Plans and specifications can be obtained from the secretary-treasurer, and any further information required may be obtained from the chairman of the school board.

Irricana News

The first essential a prospect has when looking over your farm is the lack of shrubs and trees. The farmer who plants trees and has an attractive view of his farm, has a high selling price, and at an advanced price. Plant trees.

Mr. Denay Howell left on Friday's train en route to death on a business mission. Mr. Howell expects to be absent from the ranch for ten days.

Miss Maude Knapik is visiting at the home of her brother Frank, over the Easter holidays.

Cleanup week has been appointed as from April 20th to May 3rd inclusive. Citizens are therefore urged to consider all possible nuisances to the civic authorities in this connection by tidying up their yards, gardens, etc., and all debris which has accumulated during the winter months.

Mr. Fred Davis and Miss Dorothy have returned to the farm for the summer months.

The Ladies' Aid met at Mrs. J. W. McCulloch's home on Wednesday. One of the largest meetings recorded was in evidence. Mrs. T. Craig, the president, was in the chair.

Miss Jessie Howden, Miss Sadie Heins, and Miss Elsie McKelvie, pupils attending the Normal School at Calgary, are visiting their respective homes during Easter holidays.

Mr. H. Miller and Mr. Carl Neave are having a well drilled on the property by Mike Sheridan.

Mr. W. Elliott, our energetic and square-shooting stock buyer, shipped two carloads of cattle during the week.

Miss Ethel Wright is spending vacation at the home of her people at Carbon.

Mr. Fred Fairbank, one of the partners of the Craig Bros. ranch, is expected in Irricana shortly, from Alberta.

Born to Mrs. Angus Bates, a son, both mother and the youthful councillor are progressing favorably.

Rev. D. White Smith conducted Easteride services at the Union Church on Sunday to a large and appreciative congregation.

Miss Ruthie Forrester, one of Irricana's popular young ladies, is home visiting her relatives.

The great skit costume, which adorns the Bellini natives appears to William. William is strenuously studying Spanish.

EASTER MONDAY DANCE

An enjoyable and well-attended dance was held in the Memorial Hall on Monday evening last, under the auspices of the Anglican Ladies Guild. Music was provided by the Pops orchestra of Calgary. An excellent and well-appointed supper was served by the ladies at midnight. The hall was appropriately decorated.

EASTER WEEK

Easter services in the local churches during the week were very largely attended, all the churches being filled to capacity on Sunday.

The churches were effectively decorated with Easter lilies, etc. Good Friday was generally observed as a holiday, while banks and schools were closed on Easter Monday also.

Strathmore schools this year only took the two days, owing to having been closed earlier in the year on account of the measles epidemic.

Namaka Notes

Mr. Harry Butler, who was recently transferred from Strathmore to Calgary, spent Easter at home with his parents.

Orville Hanson had quite a thrilling experience in Calgary on Friday last. He relates that with a revolver thrust close to his face he was ordered to put his hands up.

Under the conditions he readily complied. At the same time as he took his hands from his pockets, where they were exposed, he extracted a roll of bills and held it across head as requested. The hoodlums overtook the bill and held it off and not away with only a small amount of loose change. We conclude about this time the alarm clock went off.

Mr. and Mrs. Gray and family, of Brooks, spent Easter at the home of Mr. and Mrs. Nowicki.

While crossing Lake Erie early Saturday morning, on a saddle horse, Mr. Bax, who is doing for H. R. Wooster, had a narrow escape. The horse he was riding not one foot down between the ties, which held fast.

A freight train coming close behind wrote "fins" to the horse's struggle. The rider had, however, removed his saddle and bridle, thus saving that much from the catastrophe. The horse was a total loss.

"Clean up, and paint up"—the big slogan at this time of the year, has commenced bright and early in our fair city. W. H. Baker, proprietor of the Namaka house, having set a good example by having his hotel painted at this early date.

It is a decided improvement, and much more pleasing to the eye. By the colour we are convinced there is a streak of Irish in Bill somewhere.

J. W. McIntosh has added an addition on the west side of his store. In which he is installing an oil pump.

C.P.R. Appeal Town Assessment

The Canadian Pacific Railway have entered an appeal on the assessment on all their properties within the Town of Strathmore. This will delay the Council in setting the mill rate for the year.

Two years ago the Company entered appeal against the taxation on their agricultural land within the town limits. The appeal was heard by Judge Carpenter, of the Public Utilities Commission, and the town rate was upheld, on the ground that as the Company owned a large number of lots within the town site, they were free of taxes till 1921, he would not interfere with the present assessment.

He intimated, however, that whenever these lots became liable to taxation, the case would be reconsidered. These lots become liable to taxation next year, and it is probable that it is on this account that the Company is appealing at this time.

However, any decrease of taxes this year would materially increase the taxes on the other property holders in town, as the C.P.R. lots in the town site do not become assessable till next year.

STRATHMORE SCHOOL BOARD

A meeting of Strathmore School Board was held on Wednesday evening, those present being Trustees French (chairman), Quinn, Dunn, Anderson, and Thompson.

A transom window was ordered for Miss Pauline's room.

The secretary was instructed to value contents of schools and place insurance accordingly.

Plans for the improvement of the janitor's house were placed before the Board, and the secretary was instructed to advertise for tenders for this work.

Winter's Moisture Lowest for Years

The winter of 1923-24 set the record for the lowest amount of moisture in the Strathmore area for the past eight years, the total being 1.66 inches.

Following is the record for nine winters past:

1915-16	4.82
1916-17	5.37
1917-18	4.85
1918-19	4.82
1919-20	4.40
1920-21	2.56
1921-22	2.53
1922-23	2.22
1923-24	1.66

Cheadle Notes

Miss Helen Miller, who has been confined to her home with diphtheria, is getting along fine.

Bob Wade, who has been sick for a couple of weeks, is not getting along as fast as he would like. Mrs. Wade and Betty are not feeling very well either.

Jim Payne is going around on a crutch, with a bad foot.

Dick Kays came home on Saturday for a day or two, returning to Calgary for further treatment to his shoulder. Geo. Kays came down with him.

Miss Mary Craig spent the Easter holidays at home.

Mrs. O. G. Craig and daughter, Florence, spent a few days at Exshaw, with Mrs. W. Cluff.

Standard News

Miss Lydia Anderson, who has been attending the East Calgary High School for the past term, is spending her Easter vacation with her parents, Mr. and Mrs. C. Anderson.

Mr. T. A. M. Graham is spending the holidays in the city.

Mr. J. Correll and Miss M. A. Peden, our local teachers are attending the school teachers' convention in Calgary.

Mr. Hans Castella, and family, moved to Calgary on Good Friday. Miss Castella left on the following day for Denmark, where he will join Mrs. Castella, who has been visiting there since December.

Mr. Jens Castella, who has been attending the "tech" in Calgary, returned with his brothers and sisters on Saturday.

Mr. Mai Mosgrove arrived in Standard on Good Friday.

Mr. A. Olson, who has been in the hospital for the past few weeks, is able to be around again. He returned home last week. We are glad to report that his health has been restored.

Mr. and Mrs. W. B. Black and family, moved out from Calgary last week.

We are indeed pleased to see the Bolebs about again after their strenuous winter of severe illness.

Mr. D. W. Dewinter made several shipments of registered seed oats to various points of the four western provinces last week.

The second dipping of cattle was completed on Tuesday, when approximately 650 head were banded.

Several car loads of lumber and fence posts were unloaded by the Atlas Lumber Co. during the past week.

Mrs. F. D. Knowlton was a passenger to Calgary on Monday's train, returning via Rockyford on Thursday evening.

Mr. and Mrs. W. R. Walsh visited Calgary last week.

The snow storm on Monday and Tuesday put a stop to seeding operations, which had not under way on several farms in this district. The snow fall was heavy north of town, along the Chinney Hills ridge, and created a good supply of useful moisture.

Rev. L. Kjoller arrived in Standard on Friday, April 11th. Rev. Kjoller has assumed the duties of pastor of the Danish Lutheran Church at this point. He was given a warm welcome by several of the congregation on his arrival, and further proof of friendship was in evidence when a number of friends turned out on Tuesday morning to unload his car of household goods. Rev. Kjoller preached his initial sermon on April 12th, when a large congregation were in attendance.

If the government could devise some workable "listening in" tax on rural lines, the present operating deficit in the Telephone Dept. would soon disappear.

Mr. I. Christensen is adding another room to his dwelling on Christian Avenue. Contractor Svendsen being in charge of the work.

We are glad to report that Little Lindsay Dankworth is progressing favorably after his recent painful accident. His eyesight will not be impaired, which is a great blessing.

Mrs. Paul Dushmann spent the week-end at her home here, returning to Calgary on Monday for further medical treatment.

We were privileged last week to sample a shipment of genuine maple syrup, received by Mr. (Bud) Horton, from Ontario, which made us feel that the residents of this Eastern province have at least one advantage we do not enjoy.

It is reported that Mr. Wm. Budd, of Rockyford has leased the Mosgrove farm, four miles north of town.

Work has commenced on Mr. Gregory's new barn.

RECITAL ON MONDAY

Music lovers are assured a treat on Monday, when the mixed choir of St. Rita's Church will give a recital, with Rev. Father Dolz at the piano and Mrs. Odella Meyers with the violin. An excellent programme has been arranged.

The choir is composed as follows: Soprano: Miss Sallie Spillard, Miss Lauretta Lindzey, Miss Edith Griffin, Mrs. Dr. M. E. Tiffin, Mrs. Harold Hingworth. Alto: Miss Ellen Gavin, Miss Ida Lindzey. Tenor: Mr. Arthur Sangster, Mr. W. H. Walrod, Mr. John Costello, Mr. A. Turbide, Mr. Joseph Cough. Basses: Mr. Harold Hingworth, Mr. Harvey Kattenbach, Mr. Leander Kattenbach, Mr. Eric Lund, Director, Mr. W. H. Walrod. Accompanists, the Rev. Father Dolz, and Miss Sallie Spillard.

Baseball Dance in aid of Rockyford Hockey Club Friday, May 9

Mr. and Mrs. J. Black and family spent the Easter weekend in Youngstown renewing old acquaintances.

The next meeting of the Rockyford Ladies Club will be held at the home of Mrs. L. Miller, Thursday, at 2.30 p.m. We will have with us Mrs. F. E. Wymen, who will give us a talk on topics of interest in Alberta.

Dr. and Mrs. J. A. Neff, of Edmonton, have been the guests of their daughter, Mrs. A. G. Hill, over the Easter weekend.

We feel that we should express our appreciation of the very generous and acceptable assistance rendered by the Strathmore Band of Rockyford, to the West Acres Forum of Wednesday last—Friday Evening.

Fred Gibson has purchased the house near the Crosses Landing, as occupied at present by Mr. A. G. Hill and family.

Quite a number of the teachers are attending the convention in Calgary during Easter week.

Mr. Wm. Radd has taken over Art Cline's place south-east of Redlands.

A daughter was born to Mr. and Mrs. H. Cullen on April 17.

Rev. J. M. Johnston will arrive this week to take over the leadership of the Union Church at Nightingale, Jarvis and Anderson. He will conduct services on April 27th, at the following places: Jarvis H. Ave., at 10.00 a.m.; Nightingale 7.00 p.m.

The Rev. J. H. Gordon will commence a series of sermons on "Our Daily Bread and War." Next Sunday's subject will be "War and the Spirit of Peace."

One of the last of the year of the Union Church at Rockyford, Tudor and Crofton ends April 26th, and the different organizations are requested to have their reports in order and shape. All contributions should be paid by this time so as to be ready for the Christ Church meeting on May 6th, at the home of R. P. Garrod, Crofton.

Easter services at St. Rita's church were good. Splendid programmes were rendered by the choir.

Don't forget the grand social Monday evening, April 28th. It will be a real treat for music lovers.

The dance held in the Rockyford hall on Monday evening was a very successful affair. The ladies of St. Rita's Altar Society are to be congratulated on the splendid care that were partaken of at the usual night hour. Mrs. Myers orchestra was in good form and gave a splendid demonstration of jazz music. The floor was in good shape and the visitors from Carbon, Rosebud, Redlands and Calgary, along with the Rockyforders certainly had a good time.

Baseball season opens May 7th, with a game between Calgary and the local team. A dance will be held in the evening from 7 p.m. to midnight. How many applications for continuous telephone service have been let at home? That is not the place for them. Send them in to headquarters Calgary, or leave them at the local exchange office.

Mr. W. Short, of the Sup. office, Bank of Commerce, Calgary, was an Easter visitor to Rockyford.

Baintree Sidelights

SKY ROCKETS

Oh live in your car all ye down-hearted fellows.
Come late to a guy who's been out in all weathers.

Life isn't a dream, so chirp up and smile.
Put'n the barrel to the storm, and you'll find it worth while.

We know that you're blue, we feel just like you.
But stick it, old son, and your dreams will come true;

For the darkest hour comes just in front of the dawn,
And there's always a rainbow right after the storm.

Your anchor has held in the gales long gone past,
Your stout heart will keep you who in the next blast.

So stick to your job and turn all you can,
For the gods all doth love a good fighting man.

This wisdom was not from the four winds that blow,
From the north east, and west, and far southern shore;
From the rocks of old Aiden to the stars in the blue.

In the good book you'll find it, five thousand times two.

Have we got our grain in? Yes, mostly in the bin.

Sure, we're back. This is how it came. A Dutch fellow swagged up, a head of coal for the post. He wanted a good watch dog to look after his kids, and you know we are always willing to help our neighbours. A few days later he hunched his back in handcuffs, and judging by his personal appearance, Biddy must have been in a terrible battle. All her top teeth were gone, a portion of her head was missing, and she displayed the most beautiful pair of black eyes that ever a man sported. While Hans was unloading the baggage chain, the post reached out and got a burn hold on his last pair of pants. Where he went we don't know, but he left us a lezary

of his new second-hand Ford. Yes, it's better to own the right kind of a goat than to be born lucky or rich.

Can any well-informed person tell us the price of beer in Bolivia? What no beer? Thank you, we are not interested in anything else. Goodbye.

Did you read in the papers the other day, where a guy went to kinship come by the use of three sticks of dynamite? Say boy, if ever we got to go out that way we'll try one first. Three might carry us past our intended destination.

Lots of people got annoyed about this former member of the provincial parliament, who turned bally about the year. Don't worry, old dear, the poor fellow just got tired of doing nothing and thought he had found another way of doing it.

Did you ever hear the eastern version of how the ram got its horns? Too much to eat and nothing to do. Yes, ladies and fellows, that's how we got the hump too.

When Jim Rennie was teaching us in school he added to our knowledge by telling us this story: A Scot went to visit a friend in England, who was manager of a large cutlery factory. When the time came for the Scot to return to his native land, his friend presented him with a handsome pocket knife. Knowing that a piece of steel will always cut love, the Englishman suggested that Sandy should pay him one cent for the gift. The Scot reached into his pocket, pulled out a two-cent piece and said: I haven't any change, but just give me another knife.

The many friends of Miss Wymen will be delighted to learn that she has recovered from a severe attack of the grippe, and resumed teaching at the school house on April 14th.

The boys and girls of the Baintree S.D. are relieving over the quantity of baseball material donated by the school board.

The Rev. John Gordon presented another of his excellent lectures in the school house on Wednesday evening. The speaker took his audience to far off Japan, and the very fine picture

that were displayed gave both young and old a good conception of life in the orient.

A meeting of the Baintree-Playball Baseball Club was held in the school house on Saturday night. The secretary-treasurer presented a highly satisfactory report for the past season. Dick Jacobs was elected manager and captain. Tim Longbottom will continue as secretary-treasurer, and in the name of the "Redoubtable Bear Cats" issue a challenge to every bunch of ball players in the world: Tudor, Nightingale, Strathmore, and Invermay cup holders. Just say when, and for how much. Before we go to sleep, let us team the last bay stave, let us say a few words to those who live in our community. When the ball season opens up, turn out to every game, and root the anything for your own team. Baseball is a good clean sport. It calls for courage, endurance, and brains. It inspires the boys with a love of fair play which will help them in the years to come. Support them to the limit, and don't forget when the hat is being passed, that money is the only commodity that can be exchanged for bats and balls. Too, too!

Leading Varieties of Wheat

No variety of wheat has gained in popularity so rapidly as Marquis, known also as Ottawa No. 15. This wheat has become the leading variety of Canada, says the Department of Agriculture at Ottawa. It bears a medium sized headless head on stiff straw. The grain does not readily shatter out, which makes it a little more difficult to thresh than some other varieties. Its high yielding quality, as well as its excellent milling properties have given it the place it holds among the spring wheats of the world. In sections where very early varieties are needed on account of danger from frost, Marquis, Pioneer, and Prelude are recommended. These have all been mentioned in Ottawa. By ripening early, they have been proved time and again to merit the rank of really good wheat for northern districts.

Local Jottings

OF LOCAL INTEREST
Readers are requested to send in items for this column not later than 12 o'clock Monday noon preceding day of publication. All local news items are welcomed by the Standard. Phone 17 or 18

At the regular meeting of Strathmore G.W.V.A., held last Tuesday evening, it was decided not to apply for a license to sell beer, under the new Act, but at the same time it was decided to ask for permission if permission was necessary, to consume beer at the regular meetings of the association. The G.W.V.A. consider that the interests of the association would not be served by the public sale of beer, and their decision will be applauded, we should think, by everyone, whether teetotalers or otherwise. The association had under consideration the leakage in the roof of the dining hall, and have called for tenders for the making of this roof watertight. It would appear that it is harder to keep the water out than to keep the beer out.

Mr. F. R. Lilly received the sad information on Saturday that his sister, Miss Helen Lilly, had died at Toronto. She had been for a long number of years matron of the Queen's Hotel, Toronto. Another sister of Mr. Lilly, Mrs. M. G. Winter, died in Newfoundland just a month previous.

Tony Van Wesel lost a valuable horse on Saturday, when his team left away with a reeder, and crashed against a telephone pole. The horse had to be destroyed.

Mr. Jack Thompson has been appointed superintendent of the electric department for the C.P.R. Natural Resources, succeeding Mr. T. Bennett, who has received an appointment at Cleveland, Ohio, for which place he is leaving, with Mrs. Schulte and family, at the end of this month. The sale of Mr. Schulte's household effects is advertised for April 25th.

Local people will regret Mr. and Mrs. Schulte's departure, but it is a matter for congratulation that the appointment of a successor has been kept within the present staff.

A football and baseball practice will be held on the grounds at Dunahat next Sunday.

Bassano Chapter R.A.M., was represented with due ceremony on Wednesday evening last at the Masonic Hall, Bassano. Among those present from Strathmore were W. E. Mercer, D.G.S.; Harold W. B. Bell, C. S. B. Lall, John Taylor, and O. G. Craig.

The first golf competition of the season, played last weekend on the Strathmore course, was won by Wm. Gray with a score of 89 for the eighteen holes. His handicap was 20.

School Report

On account of the measles epidemic the monthly examinations were delayed. The next report will be published the latter part of May.

Grades VII, IX, X, XI and XII write departmental examinations, beginning June 18. It is very important that they should confine their attention to concentrated study and healthy out-door sports.

The names below are given in order of merit in each grade. Grades V to IX reports will be published later.

ONE BATTLE CONVINCED HIM

Decided change in Mr. Heinleth's condition after One Battle of Famous New Remedy, Dreo.

"I have been troubled with indigestion for a number of years," says Mr. John Heinleth, of 2108 McIntyre St., Regina, Sask. "My food turned a gas on my stomach that felt just like a lump of lead. I had a very poor appetite and would not digest my meals, when everything would come back before my eyes. My kidneys were weak too, and I was chronically constipated."

"I guess I took about every kind of medicine I heard of, but nothing gave me more than temporary relief. I have only taken one bottle of Dreo, but I feel better than I have for a year. I am no longer troubled with gas, my appetite has improved 100 per cent, and my kidneys are in much better shape. I haven't had a dizzy spell since starting and my bowels are regular every day."

Your overtaxed digestive system needs help at this season of the year. It needs the corrective and tonic properties of Dreo. This grand remedy, made from the pure extracts of herbs, roots, bark and leaves, contains no mercury, potash or habit forming drugs.

Dreo is being specially introduced in Strathmore by the Strathmore Pharmacy and is sold by a good druggist everywhere.

BIG SPECIAL -- MEMORIAL HALL, SATURDAY, APRIL 26th

THESE are some of a party of 12 Norwegian fishermen who passed through Winnipeg on their way to Vancouver, where they expect to take up their arduous vocation in Pacific waters. They were photographed as they stood outside their special car attached to the Continental Limited of the Canadian National Railway, on which they travelled from Montreal to Vancouver.

Town of Strathmore

CLEAN UP!

Property Owners and Occupiers are requested to at once have all refuse, etc., raked into heaps, burnable, non-burnable, and ashes to be in separate piles. Place in position convenient for removal by wagon. The Town of Strathmore has contracted with Mr. John Schaufeli to remove this material, but all cleaning up of yards, etc., has to be done by the owners and occupiers. This town will not remove manure. This will have to be done by property owners or occupants.

The old nuisance ground is not to be used hereafter, and no person but the town contractor will have access to the new ground without special permission.

After this date it will not be allowable to deposit refuse on ground. Provide garbage containers of sanitary type. These will be emptied regularly by the town.

The Council, in the interests of public health and cleanliness, look for the co-operation of the townspeople in this matter, and will not complying will be liable to prosecution. By order.

F. R. LILLY, Sec.-Treas.

Some of our bell players have returned from their winter training and are ready to go. We all are hoping for them a successful season as they had last year. Well, all's at the first game, which we hope will be soon.

The streets of town are very much deserted these days. It would sure be a lonesome place if it wasn't for the farmers.

School closed last Thursday for week's holiday. The rest will do the children good, and the week's teacher's convention will be an agreeable change to the teachers.

Owing to a complication of ailments the doctor has recommended that Paul, the Baker, daughter of Mr. and Mrs. C. F. Baker, be taken to a different climate. The parents, with little Pauline may leave shortly for Michigan.

Last C. A. Phillips has a real trouble car, judging from the size anyway. We haven't ridden in it yet, but they say it's great.

The stage handover in the school house have been improved in height by the addition of a pipe ceiling, thus to a large degree, eliminating the danger of children falling or being pushed down stairs.

The U.F.W.A. held a regular meeting last Tuesday, April 16th, at the home of C. A. Phillips. One of the important items of business was the decision to take advantage of the course of home nursing offered by the Red Cross. Although this very commendable move is under the auspices of the U.F.W.A., any lady over sixteen years of age is invited to join, and all the ladies of the community are urged to take advantage of this very excellent course. Those interested may learn particulars by calling Mrs. J. Nelson or Mrs. Jamieson.

Many of the community will remember Mr. and Mrs. Withers. Mr. Withers used to run the National elevator at this point. A clipping was recently sent to us telling of the very sad death of Wilma Withers, caused by the little girl falling underneath the wheels of a lumber truck trailer. Mr. and Mrs. Withers have lived in Vancouver since leaving Carveland. They have the sympathy of friends here.

At least one is getting upon the suggestion of I.S.S. It would be interesting to know who this party of original thoughts is, and "me-thinks" anything he writes would be good reading.

A small boy's composition on "The frog": What funny bird the frog is. When he sits he stands almost—when he hops he flies almost. He ain't got no sense, hardly. He ain't got no tail, hardly, either. When he sits, he sits on what he ain't got almost, hardly, either.

The U.F.A. distributed a car of coal last week.

We are wondering if the mind of the Hamilton, Ontario, man, who described Calgary, is not an excellent example of the mind of the east, as respects the west. We will certainly have to send some more progressive down there.

We are wondering just why some would think Bolivia would need a national flower with a large area of yellow.

The special doctor services were well attended. In fact the church was just about filled up. A number of special songs were rendered, and Mr. Lamble delivered a very excellent sermon.

The subject for next Sunday's sermon will be "The Fact of Immortality."

The Sunday school is sure growing. The attendance last Sunday was the greatest on record, being sixty-four—156% increase over a year ago. There is still room for more, and their time will be well spent by attending.

From the Orient, the head of Canadian Pacific steel, into the Pacific and India, the Canadian Air Service is now making a regular passenger and package flying schedule.

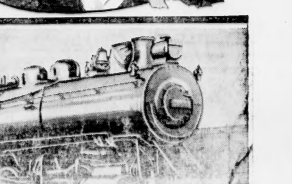

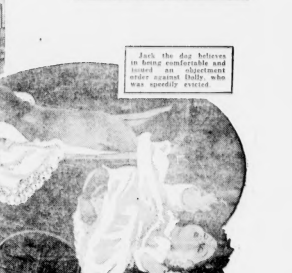

The new uniforms which the C.P.R. telegraph employees are wearing these days are as smart as the boys' knickerbockers being discarded.

All serious needs of Canadian freight transportation were broken when the train of forty-one cars, each containing six Ford automobiles, crashed Vancouver from Windsor, Ont., over Canadian Pacific line in less than seven days.
